EXCITING GAME FOR FANS WHEN RIVALS BATTLE

Fairview Hammers Out Needled Tallies in Final Round of Great Game.

By LARRY.

Showing that old fighting spirit that has made them famous in basketball, Fairview High School won from Fairmont High School at South Side Park yesterday afternoon 11 to 10 by means of a great rally in the ninth inning that netted five runs.

The faithful rooters who made the trip from Fairmont to the game were happy last night, and they had a right to be proud of the lads who represented them on the diamond.

Seemingly hopelessly beaten when they went to bat in the ninth inning, the visitors pounded out a victory, making five runs and then retiring the home crew without a man crossing the plate.

Michaelis at first base for Fairmont High School was again the batting star. He had three clean bingles, two being triples, and was robbed of two more hits by good catches. He seems to be the only consistent batter that ice has on the team.

While the Fairview rooters stamped their feet and yelled for action, Fairmont's lineup opened the ninth by stopping one of Criss' fast shoots and got a free ticket to first. Tothman, Wilson, N. Michaels and P. Michaels singled, which with an infield out and two bad judgments in the field put over five runs. During the half inning, Lafferty took Criss' place as pitcher, and then Criss was sent back in, while Sloan took Reed's place in the outfield after Reed had pulled a hamstring in not trying to get a man out at the plate.

In Fairmont's half, Underwood tossed out Sloan, Leonard then beat out an infield tap that took a bad hop as B. Ammons' fly. Leonard took second as Underwood grabbed a high bounce from Putnam's bat and threw him out at first. Sole ended the game by striking out.

Fairview scored one in the first round. After Wilson had fanned and N. Michaels had sent a high fly to Reed, P. Michaels smashed a hot one down the third base line. It took a bad bounce as Pierce set to get it in left field and rolled to the fence for a home run. Fairmont came back with three. Gainer reached second, when N. Michaels threw wild over first. Lafferty singled, scoring Gainer. After the play at the plate, Gump threw the ball wild to second and Lafferty reached first on an error. Michaelis tripled, scoring Criss. Michaelis was caught at the plate when he attempted to score on Sloan's tap in the infield. Sloan died stealing and Ross fanned.

A hit, one hit batsman and two errors gave Fairview two runs in the second round. A double, single, two stolen bases and a missed third strike gave Fairview two runs in the fifth.

Fairmont came back with three. With men on second and third Criss singled to left, scoring both of them. He moved up to second on the play to the plate and scored on Michaelis' single.

Fairmont made four more in the sixth. An error, two singles and Michaelis' second triple were responsible for the scores. This ended the ice-men's activities along this line for the day. A single by Tothman and N. Michaels' double gave Fairview a run in the seventh. The story of the ninth has been told.

The crowd was not large yesterday. Some fans missed a real exciting game. Fairview plays at Monongah Friday and this should be some contest.

Knisley took a terrific liner from Michaelis' bat in the third. A few inches in any direction and the hit would have been good for a home run. A. Ammons only had one putout during the game. He made a pretty running catch of Michaelis' "Texas Leaguer" in the eighth. His catch retired the side.

Fairview high school sets a good example at all times. The fight to the finish spirit is always predominant, and the boys play like sportsmen.

The grandstand birds tried to kid "Abe" Wilson, but there is no use trying any foolishness on the kid with the "Million Dollar Smile."

Four girls, rooting for Fairview, sat near the press box and saw they did pull for victory. With the score 10 to 2 against them in the first of the ninth, they predicted victory and got away with it. That's the spirit that wins ball games.

"Hit that persimmon off that pipe," yelled one of the American beauties to "Abe" Wilson as he stepped to the plate in one round. Wilson came across with a two base hit.

Underwood had a fast ball cutting the outside of the plate that had the local boys swinging "like a rusty gate."

A. Ammons will start the game against West Monongah on Friday.

Putnam made a nice catch of a high foul.

N. Michaels was away off in his fielding yesterday, but contributed three of Fairview's hits.

HOLD BIG LEAD

SEDALIA, Mo., May 3.—Johnny Layton, Sedalia, world's champion three-cushion billiard player, holds a commanding position over Charles McCourt of Pittsburgh as they start the final night's play in the 180 point match. Layton made 60 points last night while McCourt counted 40, which with the first night's block, gave the local player 120 points to the challenger's 84.

To take the championship, McCourt tonight must make 96 hits before the champion counts 60.

TO OBSERVE HOSPITAL DAY

CHICAGO, May 3.—B. B. Johnson, president of the American League, today asked the club owners to decorate appropriately the ball parks May 12, in observance of National Hospital Day, and to invite all soldiers and sailors in the government hospitals to witness the games. President Johnson suggested a flag-raising ceremony before the starting of the game and that the spectators be requested to sing the national anthem.

One-Armed Hurler.

MORGANTOWN, May 3.—West Virginia University baseball players, now on a Southern trip, have been up against all kinds of pitching in the games played thus far, but a brand new one was sprung on them by Virginia Polytechnic Institute at Blacksburg, Va., yesterday, according to word received here today. After the regular pitcher for V. P. I. had been removed in the eighth inning to make way for a pinch-hitter, Franklin, whose right arm had been amputated at his shoulder, took up the pitching burden. After striking out one batter, Franklin walked one man and was touched for two singles, filling the bases. The pitcher was equal to the occasion, however, and struck out Weik, batting in clean-up position and forced Hawley to pop up an infield fly for the third out. Franklin used no glove, catching the returns in his bare hand. West Virginia won the game 3 to 2, its first victory of the trip.

FARMINGTON LOSES TO WEST MONONGAH

Kerns Gets Only Run for Home Team With Two Hits and Five Stolen Bases.

FARMINGTON, May 3.—For the first seven innings of the West Monongah and Farmington game here yesterday, the local team held the fast traveling visitors to a 4 to 1 score, but during the next innings they raised the score to 10 to 1 by hits and errors by the local players.

The game as a whole was a very interesting game as both teams played good ball. Both teams hit good, but West Monongah did wonderful work on the base paths, which, coupled with errors, allowed the visitors to score.

Kerns was the local light, getting two hits and stealing five bases. He stole home in the fourth inning with two out, bringing in Farmington's lone run. Capet, the local pitcher, put Pickus on the shade when it came to strike-outs. Capet fanned sixteen Monongah men against thirteen strike-outs by Pickus. Pickus and Wright fanned out for the first time this year, which shows Capet is not an ordinary pitcher.

Davis was one of Monongah's best batters. He hit three times, stole four bases and made two runs. Wright was also on the offensive, getting three hits and two runs. A large crowd was out to witness the game.

Lineup and summary:

WEST MONON.	AB	R	H	O	A	E
